

# HOW TO GROW CURLED PARSLEY

## Materials

- Soil
- Curled parsley seeds
- Water
- Pot
- Liquid plant food

## Method

1. Pour the soil in the pot to half way.
2. Put the seeds in.
3. Then pour a little more soil in.
4. Pour the water in.
5. Put it out side in the sun.
6. Watch it grow.
