

HOW TO GROW CURLLED PARSLEY

Materials

- Soil
- Curled parsley seeds
- Water
- Pot
- Liquid plant food

Method

1. Get a pot.
2. Pour the soil into the pot up to half way.
3. Put the seeds into the pot.
4. Put about a quarter more of soil.
5. Put it in the sun.
6. Watch the curled parsley grow.
