

HOW TO GROW CURLED PARSLEY

Materials

- Soil
- Curled parsley seeds
- water
- pot
- liquid plant food

Method

1. Pour the soil about half way into the pot.
2. Put the curled parsley seeds on top of the soil.
3. Pour some more soil on top of the seeds.
4. Pour a quarter of water into the pot.
5. Put it in the sun.
6. Watch the curled parsley grow.
