

HOW TO GROW CURLED PARSLEY

Materials

- Soil
- Curled parsley seeds
- Water
- Pot
- Liquid plant food

Method

1. Get a pot.
2. Put some soil in at half way.
3. Pour some seeds in the pot.
4. Pour a little bit more soil in the pot.
5. Put some water in the pot.
6. Get the liquid plant food and put it in.
7. Watch the curled parsley grow.
