

HOW TO MAKE A SELF-PORTRAIT

Materials

- One piece of white paper
- One lead pencil
- One jar of water
- Water colours
- Oil pastels
- One paint brush
- One coloured cardboard
- One glue
- One plastic sheet

Steps

1. Think about your face.
2. In lead pencil draw your face.
3. Outline it with the right colour in crayons.
4. Colour in the face with water colour.
5. Leave it to dry.
6. With a lead pencil do a pattern on the background.
7. With crayons out line it.
8. Colour it in with water colours.
9. Leave it to dry.
10. Glue the picture onto the coloured cardboard.
