

HOW TO MAKE A SELF-PORTRAIT

Materials

- Rubber
- Lead pencil
- Paper
- Cardboard
- Coloured pastels
- Water
- Water colours
- Paint brush

Steps

1. Unfold a plastic sheet and put it on the table.
2. Draw your neck and head in lead pencil.
3. Think about what your face looks like.
4. Draw your eyes, nose, mouth and ears.
5. Sketch the line of your hair.
6. Outline your face, neck and hair in pastels.
7. Paint your face with water colour.
8. Draw your background in lead pencil.
9. Colour your background in pastels.
10. Paint it over with water colour.
11. Mount a piece of cardboard on to your portrait.
12. Admire your beautiful self-portrait.
