

HOW TO MAKE A SELF- PORTRAIT

Materials

- Paper
- Lead pens
- Tray of paints
- Plastic sheet
- One paint
- Jar of water
- Card board

Step

1. Sketch your face and make it look like you.
2. When you are happy about your face, outline your face.
3. Paint it in correct colours.
4. Set it out to dry.
5. Choose your background but make it colourful.
6. Let it dry.
7. Then glue your portrait on to the cardboard.
8. And look at it.
