

# Roger Rainforest

Suddenly I have appeared on top of a waterfall, I find myself stranded on a rock anxiously waiting for help. I am not sure how I got here and I also don't know how to get off. Perhaps my brother may have used his specialised art of telepathy skill. This is going to be a problem for me. This is why, first of all this area is badly wet meaning I could slip any second now. Secondly if I slip I would fall endlessly to my doom because I can't even see the water below me or is it rocks. Thirdly I'm freezing cold and it looks like it is going to rain. Fourthly these rocks are smothered in moss so I'm stuck here. Fifthly I am one of the worst jumpers meaning HOW AM I SUPPOSE TO GET OFF HERE!!! HELP ME!!!
