

JAMES' JOURNEY TO THE BEYOND

THIS IS ME AFTER A HARD DAYS WORK AT SCHOOL COOLING OFF IN THE LOCAL RAINFOREST. IT'S SO TRANQUIL HERE FROM THE SOUNDS OF THE BIRDS AND INSECTS AS I WADE IN THE WATER IF ONLY I HAD BROUGHT MY FRIENDS! IN THIS PARTICULAR MALAYSIAN RAINFOREST THERE ARE FEW ORANGUTANS BECAUSE OF THE DESTRUCTION OF THEIR HABITAT FOR HUMAN AGRICULTURE AND HOUSING. THERE ARE ALSO PROBOSCIS MONKEYS THERE ARE MANY SPECIES IN THIS RAINFOREST BUT SADLY THEIR NUMBERS ARE DECREASING SO IT'S VITAL TO SAVE THESE UNIQUE CREATURES!
