

Kiahn rainforest

This is me in the Daintree rainforest sitting on a cassowary about to have a ride into the rainforest. I don't know how I got here but I think I need help getting home please..... Anyone HELP ME! Meanwhile I'll just stay here and have fun, or maybe try to get the cassowary to give me a ride home. Somehow when I landed on the cassowary I wasn't moving or breathing so I'll just wait. While you're here the weather is cool, the ground is moist but soft as well. In the rain forest I can hear lots of bird noises and animal calls.
