

Rowan holiday at the rainforest

My fantastic holiday to the rainforest, it is wonderful here there are lots of wonderful sites and animals. The hotel I am staying in is completely environmentally safe. It is in the middle of the rainforest. The view is fantastic, yesterday I saw a group of monkeys swing straight past my window and then they nested there for the night. This is one of the best holidays I have ever been on I think you will love it so much. There is so much to do this week I am going to the best restaurant and the best sight seeing places here and animal watching like monkey's, birds and lots more.
